N.B.:

This authorization shall be exhibited in the above premises and should be produced from time to time at the request of the inspecting officer

TERMS AND CONDITIONS OF AUTHORISATION

SCHEDULE – A

1. The authorized person shall comply with the rules of Bio-medical Waste (Management & Handling) Rules, 1998 and the amendments made thereunder from time to time.
2. The authorized person should handle the waste without any adverse effects to human health and the Environment.
3. The Bio-Medical Waste shall not be mixed with other wastes.
4. The Bio-Medical Waste shall be segregated into containers / bags at the point of generation in accordance with Schedule – II of the Notification prior to its storage, transportation, treatment and disposal. The containers shall be labeled according to Schedule – III of the Notification.
5. If a container is transported from the premises where Bio-Medical Waste is generated to any waste treatment facility outside the premises, the container shall, apart from the label prescribed in Schedule – III of the Notification, also carry information prescribed in Schedule – IV of the Notification.
6. Notwithstanding anything contained in the Motor Vehicles Act, 1988, or Rules thereunder, untreated Bio-Medical Waste shall be transported only in such vehicle as may be authorized for the purpose by the Competent Authority as specified by the Government.
7. The person authorized under these Rules shall not lease, sell, transfer or otherwise transport the Bio-Medical Wastes without obtaining prior permission of the Member Secretary, Andhra Pradesh Pollution Control Board.
8. An application for the renewal of authorisation shall be made as laid down in Rule 7 and Form I of the Rules.
9. Every occupier / operator shall submit an annual report to the Member Secretary, Andhra Pradesh Pollution Control Board in Form – II by 31st January every year, containing information about the categories and quantities of Bio-Medical Wastes handled during the preceding year.
10. Every HCE shall maintain a daily record of waste generation quantity either in volume or by weight in kg/day as follows:
 - a. Human anatomical waste etc. (Yellow bag)
 - b. Infectious waste (Red bag)
 - c. Sharps etc. (Puncture Proof Bags)
11. Every authorized person shall maintain records related to the generation, collection, reception, storage, transportation, treatment, disposal and / or any form of handling of Bio-Medical Waste in accordance with these Rules and any guidelines issued.
12. All records shall be subject to inspection and verification by the Member Secretary, Andhra Pradesh Pollution Control Board, or authorized officer of A.P. Pollution Control Board at any time.
13. When any accident occurs at any institution or facility or any other site where Bio-Medical Waste is handled or during transportation of such waste, the authorized person shall report the accident in Form – III to the Prescribed Authority forthwith.
14. The Applicant shall exhibit the Authorisation of the Board in the premises at a prominent place for the information of inspecting officer of different departments.
15. The applicants shall inform the Prescribed Authority, the name and designation of the concerned person in-charge of Bio-Medical Waste Management in the Health Care Establishment. This person shall be held responsible for the implementation of the Bio-Medical Waste Management & Handling Rules, 1998.
16. This authorisation shall be exhibited in the above premises and should be produced from time to time at the request of the inspecting officer.

SCHEDULE – B (Standards)

1. Segregation of the waste as given in accordance with Schedule – II of the Bio-Medical Waste (Management & Handling) Rules, 1998 should be carried out at source.
2. All syringes and needles should be mutilated / shredded before discarding in the needle destroyer to prevent unauthorized reuse.
3. Chemical treatment should be carried out using at least 1% Hypochlorite Solution or any other equivalent chemical reagent. It must be ensured that chemical treatment ensures disinfection.
4. No untreated Bio-Medical Waste shall be kept stored beyond a period of 48 hours.
5. The waste shall be disposed for treatment after disinfection and segregation to the Common Treatment Facility, which have been given Consent by A.P. Pollution Control Board.

M/s. Safenviron Bio-Medical Treatment Plant,
D.No.29-3-14,
Governorpet,
1st Venkateswara Rao Street,
VIJAYAWADA - 520 002
Krishna Dist.

6. No Health Care Establishment shall install or operate an incinerator without specific authorisation of Prescribed Authority.
7. The Mercury spillage / losses due to breakage of Thermometers, pressure and other measuring equipment in Health Care Establishments shall be collected, stored and send back to the manufacturers.
8. The occupier of HCE shall take all necessary measures to ensure that the spilled mercury does not become part of bio-medical or other solid waste generated from the HCE.
9. The occupier of HCE shall dispose any waste containing equal to or more than 50 mg/Kg of Mercury, as per the provisions of Hazardous Waste (Management and Handling) Rules, 1989 and amendments thereof.
10. Under no circumstances shall incinerable waste (categories 1, 2, 6) of the Schedule – II of the Rules of 1998 of any kind be openly burnt anywhere.
11. The applicant shall make an application for renewal of authorization under Bio Medical Waste (Management and Handling) Rules, 1998 at least 60 days before the date of expiry of this order, along with prescribed fee.

ANY CONTRAVENTION OF THE CONDITIONS OR DIRECTIONS OF AUTHORISATION WILL ATTRACT PROSECUTION UNDER THE PROVISIONS OF THE ENVIRONMENT PROTECTION ACT, 1986.
